TO THE COMMISSIONER FOR PATENTS,

SIR:

**AMENDMENT B**

**Amendments to the Drawings** begin on page 2 of this paper and include an  
enclosed replacement sheet and an annotated sheet showing changes.

**Amendments to the Drawings**

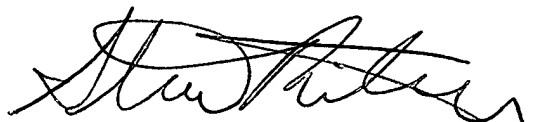

The enclosed replacement sheet includes a change to Figure 3. This sheet replaces the first formal drawing sheet that included Figure 3. During the preparation of the substitute formal drawing of Figure 3 (submitted on April 18, 2002), a triangle representing COATED - Y was not included for GRAPHITE GRADE C (as indicated in the annotated sheet). This triangle, however, was included in the original drawing of Figure 3 that was submitted when the application was filed (a copy of the original drawings is included herewith). As such, no new matter is being added by this amendment of Figure 3.
